***Reasons For Allowance***

The following is an examiner's statement of reasons for allowance: The prior art shows many odor absorbing seat cushions that include a layer of odor absorbing material of some sort enclosed within a fabric cover. The prior art fails to show the use of a cover construction as is claimed however, wherein the cover comprises a first and second layer of material stitched around their edges, and including a zipper type opening that is centrally located on the second layer of material which allows access to the enclosed and claimed layers of polyurethane foam and layer of odor absorbing fabric.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

The drawings were received on July 25, 2003. These drawings are acceptable and have been approved by the examiner.
